## 2011 Membership Form & Dues Invoice

To all renewing and new members -- thank you for your interest, participation and support!  
To new members, welcome to NAPC!

If possible, please consider being a Sustaining, Contributing, or Supporting Member this year. These categories have been established for our many members who choose to give NAPC the additional financial support essential to the Association's work. (These organizations receive special recognition at meetings and on the website.)

Up to four organizations working together in a community may share a Member Plus membership. All receive all NAPC member benefits including conference discounts. The group has one vote.
